Dear Authors

We would like to inform you that the revised version of the manuscript ID: 4157 has been well received.

Final Decision: Accepted

With this email attached several documents of your submitted article entitled: **"The important role of multi-sector partnership in stunting management in east java: a literature review"**

- Plagiarism reports of the original manuscript
- Final edited manuscript
- Editor Commentary

The plagiarism reports of your original manuscript are 18%, which has already fulfilled the originality criteria. Our editor has fixed some sections in your manuscript according to the reviewer's suggestion.

Please let us know if you are already satisfied with the current final revised manuscript. If you approved this manuscript, your article will be processed for the galley version and published in **Bali Medical Journal**.

Please return the revised manuscript within 3 days (February 5th 2023), and type the revision on the attached manuscript below.

Inaccuracy in sending the revised manuscript will affect the time of publication.

We're looking forward to your progress, congratulations and good luck.

Best Regards

Editorial Team
