Dear Authors,

We apologize for our lengthy processing time because there are some reviewer comments that need to be reconfirmed by the editor.

Here we attached the plagiarism report (13%) and the commentary file of your submitted article: "Preventive Behaviors Toward Transmission of Pulmonary Tuberculosis". The commentary file is a summary of the reviews of your manuscript. There were several revisions suggested by our reviewer. Therefore, several necessary changes will be made. Our editor has fixed all sections in your manuscript according to the reviewer's suggestion. We gladly said your manuscript was appropriate for publication. We attached the final manuscript file. We hope you check again your final manuscript before we continue the galley approval process.

In addition, we need some confirmation as follows:

1. Please check again the suitability of the **affiliation of the author**.
2. Please check again the statement regarding **Funding and Ethical Clearance Number** in the manuscript

Please let us know if you agree or need any fixation to publish your final manuscript. If you have any fixation, please send us the final version immediately in 4 days (**April 27th, 2023**)

Warm Regards,
Editorial Board Member
