Decision: major revision

Dear Dr Septianingrum,

Your manuscript "Enhancing Family Caregivers Readiness for Post-Stroke Patient Care Following Hospital Discharge: A Comprehensive Approach" has now been reviewed and the reviewer comments are appended below. You will see that, while the reviewers find your work of interest, they have raised points that need to be addressed by a Major revision.

We invite you to revise your paper, taking into account the points raised and the general guidelines below. To ensure the Editor and Reviewers will be able to recommend that your revised manuscript is accepted, please pay careful attention to each of the comments that have been pasted underneath this email. This way we can avoid future rounds of clarifications and revisions, moving swiftly to a decision. When your revision is ready, please submit it via: <https://submission.springernature.com/submit-revision/2cc89f98-7c2e-4780-ac69-cc8cef2ea16b>

To support the continuity of the peer review process, we recommend returning your manuscript to us within 10 days. If you think you will need additional time, please let us know by contacting the Assistant Editor Annie Xu ([annie.xu@cn.springernature.com](mailto:annie.xu@cn.springernature.com)) with the Editorial Office ([discoversocialscienceandhealth@springernature.com](mailto:discoversocialscienceandhealth@springernature.com)) cc'd.

Reviewer Reports are appended below.

Kind regards,

Annie Xu  
Assistant Editor

Dear Dr Septianingrum,

Re: "Factors Associated with Family Caregiver Readiness to Care for Post-Stroke Patients After Hospital Discharge"

We're delighted to let you know your manuscript has now been accepted for publication in Discover Social Science and Health.

Licence to Publish and Article Processing Charge

As the corresponding author of an accepted manuscript, your next steps will be to complete an Open Access Licence to publish on behalf of all authors, confirm your institutional affiliation, and arrange payment of your article-processing charge (APC). You will receive an email with more information in the coming days.

Checking the proofs

Prior to publication, our production team will also check the format of your manuscript to ensure that it conforms to the standards of the journal. They will be in touch shortly to request any necessary changes, or to confirm that none are needed.

Once we've prepared your paper for publication, you will receive a PDF proof. At this stage, for the main text, only errors that have been introduced during the production process, or those that directly compromise the scientific integrity of the paper, may be corrected.

Please make sure that only one author communicates with us and that only one set of corrections is returned. As the corresponding (or nominated) author, you are responsible for the accuracy of all content, including spelling of names and current affiliations.

To ensure prompt publication, your proofs should be returned within two working days.
