

ABSTRAK

Penelitian ini bertujuan menganalisis keefektifan lingkungan sekolah dalam meningkatkan motivasi belajar siswa di SDN Mekikis, Kediri, dengan menggunakan pendekatan deskriptif kualitatif. Data dikumpulkan melalui observasi, wawancara, dan dokumentasi, menunjukkan bahwa lingkungan fisik sekolah seperti ventilasi, pencahayaan, dan kualitas ruang kelas umumnya mendukung pembelajaran, meski beberapa kelas perlu perbaikan untuk kenyamanan optimal. Interaksi sosial yang baik antara siswa dan guru serta metode pengajaran interaktif seperti video dan kegiatan kelompok meningkatkan keterlibatan siswa, meskipun kemandirian belajar masih perlu ditingkatkan. Efektivitas lingkungan sekolah terhadap motivasi belajar dapat ditingkatkan melalui kondisi fisik yang baik, interaksi sosial dan psikologis yang mendukung, serta evaluasi dan program peningkatan lingkungan sekolah. Penelitian ini memberikan pemahaman mendalam tentang pentingnya kondisi lingkungan sekolah dalam meningkatkan motivasi belajar siswa.

Kata Kunci: Lingkungan Sekolah, Motivasi Belajar

ABSTRACT

This study aims to analyze the effectiveness of the school environment in enhancing student motivation at SDN Mekikis, Kediri, using a descriptive qualitative approach. Data were collected through observation, interviews, and documentation, revealing that the physical environment of the school, including ventilation, lighting, and classroom quality, generally supports learning, although some classrooms require improvements for optimal comfort. Good social interactions between students and teachers, as well as interactive teaching methods such as videos and group activities, enhance student engagement, though student independence still needs improvement. The effectiveness of the school environment on student motivation can be improved through good physical conditions, supportive social and psychological interactions, and evaluation and improvement programs for the school environment. This study provides an in-depth understanding of the importance of the school environment in increasing student motivation.
