Distinguished Dr. Yanis Kartini:

We hereby inform you about the *status* of your manuscript entitled: **The Effectiveness of ASWAJA An Nahdliyah Based Caring Behavior Training on Performance in Patient Safety and Service Quality Targets**

We have made a pre-review of the manuscript and it was observed that it requires several corrections before it is sent to the referee's revision. In the attachment we are making important comments, suggestions, and recommendations that should be considered and that could significantly improve the manuscript.

We are sending you in attachment the aforementioned pre-revised manuscript for the purposes that, if you wish, correct it according to the observations and suggestions, and forward it for reconsideration for publication in the Gaceta Médica de Caracas.

If you decide to revise, we appreciate to indicate on the text of the revised manuscript version that we are sending you in attachment, in red letters, the corrections or modifications made.

We want to highlight that the issue of *Aswaja an Nahdliyah* should be evaluated if it is in the framework or scope of the Gaceta Médica De Caracas, or it should be sent to a journal more related with religious issues. To do so, it should be supported with the adequate arguments, or to decide to send it to another journal.

Best regards,

Dr. Enrique López-Loyo  
Editor-in-Chief

Distinguished Dr. Yanis Kartini:

We are very pleased to send you in attachment the Galley Proofs (PDFs) of the manuscript titled: **Effectiveness of ASWAJA An Nahdliyah-based caring training on caring behavior, performance in patient safety and service quality**, to be published in volume 131 (1) 2023 of the Gaceta Médica de Caracas.

We would appreciate a **detailed and careful review** of the aforementioned PDF and proceed to make the correspondent corrections if required. It is very important to check symbols, Greek letters, etc, which are the ones in which transcriptionists frequently make mistakes.

If you find corrections/typos, mark them up in the PDF (we recommend using Adobe Reader), **do not edit the PDFs**.

Please submit corrections/errors within 3 (**three**) days.

Thanking you in advance for your attention, we look forward to your response
