Dear authors,

We gladly informed you that your article titled **Factors that influence on Islamic caring behavior** has been submitted to Bali Medical Journal according to the MoU with Surabaya International Health Conferences. The manuscript has finished the review process. Attached are the plagiarism report (13%) and the commentary file of your submitted article.

The commentary file is a summary of the reviews of your manuscript. Our reviewer suggested several revisions. Therefore, several necessary changes will be made. Our editor has fixed all sections in your manuscript according to the reviewer's suggestion, and the article was appropriate for publication. We hope you check your final manuscript again before we continue the galley approval process. Please confirm if you agree to publish your final manuscript. If you have any fixation, please send us the final version immediately.

Thank you for your cooperation and for trusting us with your hard work.

Warm regards,

BMJ Editorial Board Member

Dear Authors

We would like to inform you that the revised version of the manuscript ID: 4465 has been well received.

Final Decision: Accepted

With this email attached several documents of your submitted article:

- Plagiarism reports of the original manuscript
- Final edited manuscript
- File Commentary

The plagiarism reports of your final manuscript are 19%, which has already fulfilled the originality criteria. Our editor has fixed some sections in your manuscript according to the reviewer's suggestion.

Please let us know if you are already satisfied with the current final revised manuscript. If you approved this manuscript, your article will be processed for the galley version and published in Bali Medical Journal.
